AOCS: Your international forum for fats, oils, proteins, surfactants and related materials.

By submitting this application, you adhere to the AOCS Code of Ethics. Read more at www.aocs.org/code-of-ethics

Antitrust Statement

The American Oil Chemists' Society is organized for charitable, educational and scientific purposes. It does not have as its purpose the promotion of any product, manufacturer, laboratory or business. Members of the Society do not and may not speak for or on behalf of the Society without the expressed permission of the Governing Board.

AOCS Statement on Diversity and Inclusion

AOCS is a professional organization dedicated to advancing the science and technology of oils, fats, proteins, surfactants, and related materials, enriching the lives of people everywhere. AOCS acknowledges and values all dimensions of diversity. Therefore, we welcome into our Society and encourage the participation of all individuals regardless of age, gender, gender identity, race, cultural background, religion, physical ability, sexual orientation, professional status, geographic location, political views and all other characteristics that make our members unique. AOCS actively promotes inclusion, recruitment, and retention in every aspect of the Society – including but not limited to membership, leadership, committees, and staff. We strive to cultivate a scientific society of excellence built on mentorship, encouragement, tolerance, and mutual respect.

Thank you for your application and for your interest in joining AOCS.
