Lipid Oxidation & Quality Division Junior Researcher Travel Grant

The program has been established to encourage junior-level researchers to become active in the LOQ Division and the Society.

The funds allocated to the individuals are intended to partially pay travel and meeting registration expenses to attend the AOCS Annual Meeting. It is anticipated that the funds may not cover the total expenses incurred, and this grant would supplement other travel funds.

NATURE OF THE GRANT

- Maximum number of individual grants per year limited to three (3).
- Total of all grants disbursement for any given year may not exceed \$3,000
 - Individual grants limited to no more than \$1,000
 - Individual grant limits may vary based upon need, location, and funds available
- The review committee will determine which expenses shall be reimbursed.

ELIGIBILITY

- Junior researchers (less than seven (7) years of employment) at any institution of higher learning or research laboratory.
 - Preference given to junior researchers who demonstrate an interest in becoming active in the LOQ Division
- Full professors are not eligible.
- Individual can only receive this grant one time.
- Failure to receive a grant does not bar further consideration for subsequent years.

APPLICATION PROCEDURES

The applicant should submit:

- An application statement
 - Limited to 300-1,000-word summary describing the significance of the individual's accomplishments in research
 - Clearly demonstrates how the applicant's research interests are consistent with scope and activities of the LOQ Division, and the applicant's potential for future participation in LOQ activities
- Two-page *curriculum vitae*, including grant procurement, students supervised, published papers.

APPLICATION DEADLINE: **February 15**

Complete applications should be sent to Victoria Rouleau at Victoria@aocs.org. The LOQ Division Executive Steering Committee will serve as the grant review committee.
