

AOCs thanks the 300+ volunteer editors and reviewers who made the *Journal of Surfactants and Detergents'* (JSD) 20th publishing year a resounding success. The rate of original submissions continued to grow, resulting in the publication of over 140 articles. Your contributions as a reviewer make it possible for JSD to provide key research in the areas in the basic and applied science of surfactants and detergents to the scientific community worldwide.

We look forward to working with you again in 2018!
