

AOCs thanks our volunteer editors and reviewers who so generously share their expertise with *JAOCS*. Their contributions make it possible for *JAOCS* to provide key research regarding the science and technology of oils, fats, proteins and related materials to the scientific community worldwide.

We look forward to working with you in 2021!

JAOCS Editorial Board

Editor-in-Chief

James A. Kenar

Senior Associate Editors

Richard Ashby	Richard F. Wilson
