

Short-term Volunteering Opportunities

Positions and Descriptions

2026-2027

Technical Session Chairs - I

Lead a technical session at the Annual Meeting. Review abstracts, communicate with presenters, invite speakers where appropriate, and host the live session.

Technical Session Chairs – 2

Co-lead a technical session at the Annual Meeting. Duties are the same as a lead chair, but the co-chair is a great way to get experience.

Award Reviewers

Review student or professional award applicants and make recommendations to the division leadership.

Webinar Speakers

Share your work or help organize speakers on a topic for a division webinar.

Student Poster or Lightning Talk Judges

Review and judge student posters at the Annual Meeting, or serve as a judge or session chair for the Student Lightning Talks at the Annual Meeting.

Annual Meeting Roundtable Attendee

Participate in a division technical program development roundtable at the Annual Meeting. Share your topic interests for next year, meet other division members, and volunteer to lead a session.
